

Gawthorpe Community Academy Subject Specific Curriculum

To ensure that we plan and sequence lessons such that children learn age and stage appropriate knowledge and skills we use clearly defined end points in each subject area to ensure that children not only acquire knowledge, skills and understanding, but regularly apply them, making links between subjects and building on prior learning.

Each subject has a document which follows the same format to ensure that all subjects are taught in line with the National Curriculum and our Intent, Implementation and Impact for each subject from Early years up to year 6 is included.

To make sure that there is clear progression in each subject across the school, progression steps are included.

Each subject document can be found on the website under Curriculum then under the specific subject.

Each document follows the same format :

- Early Years Intent, Implementation and Impact for that subject;
- Early Years Key objectives;
- Early Years outcomes.
- Key stage 1 requirements;
- Key stage 1 Intent, Implementation and Impact for that subject;
- Progression steps in Key stage 1 .
- Key stage 2 requirements;
- Key stage 2 Intent, Implementation and Impact for that subject;
- Progression steps in Key stage 2 .
